

PROGRAM OUTLINE

There are eight core areas that form the basis of our Reactivity Reimagined Program to ensure you tackle reactivity and have a working plan in place for anything that may come up.

In each module, you will build core skills and progress through milestones until you have mastered each area. By the time you complete our program, you will have clear step by step instructions to help you navigate problem behaviors with ease!

1 UNDERSTAND

Learn what is behind your dog's over-reactivity and why the impact is so great for you. Understanding creates compassion for you both.

2 OBSERVE

Tune your observations skills and learn to interpret your dogs communication.

3 RESET

Press the reset button for you and your dog, so that you can begin to build a new future.

4 BUILD CONFIDENCE

Fear and insecurity in dogs can manifest to over-reactive behaviors. Confidence building is a great way to instill courage in bashful canines.

5 ESSENTIAL SKILLS

Learn the core skills that will help you and your dog make progress by starting training away from triggers.

P PRACTICE

An in-person or online interactive practice session

6 GROW YOUR RELATIONSHIP

Having a happy and healthy relationship with your dog will have a huge impact on your training success.

7 ADVANCE YOUR SKILLS

Build on the skills you have developed with controlled exposure to real triggers.

P PRACTICE

An in-person or online interactive practice session

8 READY FOR THE REAL WORLD

Take your training on the road to real environments.
